As an instructor, I want to message students, so that I can easily notify students of any approvals/issues.

Should

As a student, I want to notify/message the instructor, so that if I have any questions, I can talk to the instructor for advice/approval over my hours

Could

+

+

+

As a student, I want to log my hours, so that I can verify that I have met my required hours.

Should

As an admin, I want to be able to remove users so that I can remove bad actors or students/teachers who are no longer in the program from the application.

Should Sam_F_Collins

As a student, I want to input my location, so that my hours can be applied to a specific location

Could

As an admin, I want to be able to delete records from the database so that I can remove bad info or test data.

Could

As an admin, I want to be able to add records to the database so that I can add info that may have been deleted or add test data.

Could

As an admin, I want to be able to edit the database so that I can change incorrect or buggy information that may have been accidentally saved.

Could

As an admin, I want to be able to access the database so that I can view records that are being saved.

Could

As an instructor, I want to view student hours worked and the hospital locations they have worked at so that I can ensure that my students are staying on track.

Should magnomik

As an admin, I want to be able to add users so that I can manage the application's users efficiently.

Should Sam_F_Collins

As an admin, I want to be able to log in, so that I can access the application.

Must Joshua_Belfield

As an instructor, I want to log in, so that I have the ability to view my students info

Must Joshua_Belfield

As a student, I want to log in, to be able to access the application
